Safety Data Sheet according to 1907/2006/EC, § 6 GefStV. TRGS 220

1. Substance/Preparation and company name

| Product name | Zfx™ Zirconium | |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Use of substance/preparation | Zfx^{TM} Zirconium made of zirconium dioxide are ceramic blanks for the manufacture of crown and bridge frameworks. | |
| Company name | Zfx GmbH Kopernikusstraße 15 85221 Dachau Deutschland Tel. +49 (0) 8131 / 33 244 - 0 Fax +49 (0) 8131 / 33 244 - 10 info@zfx-dental.com www.zfx-dental.com | CE 0123 |

2. Composition/information on ingredients

| Synonyms | CAS no. | EINECS no. | Concentration | Molecular formula |
|-----------------|------------|------------|---------------|--------------------------------|
| Zirconium oxide | 1314-23-4 | 215-227-2 | 88 - 96% | ZrO ₂ |
| Yttrium oxide | 1314-36-9 | 215-233-5 | 4 – 6% | Y ₂ O ₃ |
| Hafnium oxide | 12055-23-1 | 235-013-2 | 1 - 5% | HfO ₃ |
| Aluminium oxide | 1344-28-1 | 215-691-6 | 0 - 1% | Al ₂ O ₃ |

3. Possible risks

No classification.

4. First aid measures

| Inhalation | Bring into fresh air, contact a doctor if discomfort continues. |
|--------------|------------------------------------------------------------------------------------------------------------------|
| Skin contact | Wash thoroughly with warm water and soap. Consult a doctor should skin irritation occur. |
| Eye contact | Wash out immediately with copious amounts of cool water. Consult a doctor if irritation persists. |
| Swallowing | Rinse out mouth with water and then drink copious amounts of water, consult a doctor in the event of complaints. |

Safety Data Sheet Zfx™ RAWDENS Zfx™ Zirconium

Version: 2 / 08.2018 Compiled at 30.08.2018 Effective date: 30.08.2018 Replaces version: 1 / 03.2014 Page 2 of 5

5. Fire fighting measures

| Suitable extinguishing agent | Fire extinguishing measures suited to environment. The product itself does not burn. |
|------------------------------------------------|----------------------------------------------------------------------------------------|
| Unsuitable extinguishing agent | Unknown |
| Special risks | Unknown |
| Special protective equipment for fire fighting | Wear respiratory protective equipment independent of ambient air in case of fire. |
| Additional instructions | Prevent extinguishing water from penetration surface water or the ground water system. |

6. Measures in case of unintended release

| Personal precautionary measures | Use personal protective equipment. |
|-----------------------------------|--------------------------------------------------------------------------------------|
| Environmental protection measures | Prevent from penetrating surface water or the sewer system. |
| Cleaning procedure | Pick up mechanically, avoid dust formation, fill into labelled, closable containers. |

7. Handling and storage

Handling

This product should only be handled by trained personnel. Ensure that

- × dust formation and dust deposits are avoided
- x all contact with damp (e.g. wet hands) is avoided
- x adequate ventilation and a suitable extraction systems is available.
- × occupational exposure limits (OEL) and / or other limit values are observed

Storage

Ensure that the blanks:

- × are stored in their original packaging
- x are not exposed to blows or severe vibration
- × do not come into contact with liquid: observe water directives
- × are not contaminated
- × are stored between 5°C and 50°C.

Instructions for common storage: adhere to VCI storage system rules

Instructions on fire and explosion protection: no special precautionary measures required

VCI storage class: 13, non-flammable solids

Specific usage

Please observe instructions for use.

Safety Data Sheet Zfx™ RAWDENS Zfx™ Zirconium

Version: 2 / 08.2018 Compiled at 30.08.2018 Effective date: 30.08.2018 Replaces version: 1 / 03.2014 Page 3 of 5

8. Exposure control and personal protective equipment

| Exposure limits | | |
|--------------------------------------------------|--------------|--|
| Zirconium and water insoluble compounds; CAS no. | 1314-23-4 | |
| Basis | TRGS 900 | |
| Limit values | 1 mg/m³ E | |
| Peak limit | 1(l) | |
| Comment | 10, DFG, Sah | |

| Personal protective equipment | | |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Respiratory protection | Respiratory protection with particle filter EN 143 | |
| Hand protection | Glove material, butyl rubber, natural rubber, nitrile rubber. Details of material thickness and break through time are not applicable for non-dissolved solids / dusts | |
| Eye protection | Wear safety glasses during grinding work. | |
| Body protection | Protective clothing | |
| General protective measures | The precautionary measures usual when handling chemicals should be observed. Store working clothes separately | |

9. Physical and chemical properties

| General information | | |
|---------------------|---------------------------------|--|
| Appearance | industrially-manufactured solid | |
| Colour | white | |
| Odour | odourless | |

| Important information regarding health and environmental protection and safety | | |
|--------------------------------------------------------------------------------|-------------------------------------------------------------------|--|
| PH value | no data available | |
| Flammability (solid, gaseous) | not highly flammable, method Directive 67/548/EEC, Annex V, A.10 | |
| Flammability (contact with water) | not highly flammable, method Directive 67/548/EEC, Annex V, A.12. | |
| Dust explosion hazard | no data available | |
| Explosion limits | | |
| Lower explosion limit | no data available | |
| Spontaneous ignitability | not highly flammable, method Directive 67/548/EEC, Annex V, A.16. | |
| Density | no data available | |
| Bulk density | 1.000 – 1.500 kg/m³ | |
| Solubility | water insoluble | |

Version: 2 / 08.2018 Compiled at 30.08.2018 Effective date: 30.08.2018 Replaces version: 1 / 03.2014 Page 4 of 5

10. Stability and reactivity

| Conditions to be avoided | None known |
|--------------------------------|----------------|
| Substances to be avoided | None known |
| Hazardous degradation products | Not applicable |
| Thermal degradation | Not applicable |

11. Toxicological information

Toxicological information not available.

12. Ecological information

| Ecotoxicity | No ecological problems should be expected if handled and used correctly. |
|-------------------------------|--------------------------------------------------------------------------|
| Mobility | Not applicable |
| Persistence and degradability | Not applicable |
| Bioaccumulation potential | Unknown |
| Other harmful effects | Unknown |

13. Disposal instructions

Product

- × Disposal should conform to federal/national and local regulations
- × No waste key number can be determined for this product in compliance with the European Waste List, as assignment can only be realised on the basis of the purpose of use of the consumer

Packaging

× Non-contaminated and cleaned packaging can be recycled

14. Transportation information

| Land transportation | ADR/RID | Not hazardous substance |
|---------------------|------------------|-------------------------|
| Air transportation | ICAO-TI/IATA-DGR | Not hazardous substance |
| Sea transportation | | Not hazardous substance |

Version: 2 / 08.2018 Compiled at 30.08.2018 Effective date: 30.08.2018 Replaces version: 1 / 03.2014 Page 5 of 5

15. Legal provisions

| Labelling in compliance with EU Directive | |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Directive 1999/45/EG | Not subject to mandatory labelling |
| | |
| National regulations | |
| Hazardous Incident Ordinance | 12.BUMSCHV; Annex 1; Number: not subject to Hazardous Incident Ordinance 96/82/EC; Annex 1, Number: not subject to Seveso II Directive |
| German Clean Air Act | Number 5.2.1: Total dust, including fine dust |

16. Other information

Information in this safety data sheet is based on the current state of knowledge and experience. The safety data sheet describes products with regard to safety requirements. However, these specifications are no guarantee of product characteristics and do not establish any contractually-legal relationship. The information is designed to provide you with a guide to safe handling of products mentioned in the safety data sheet during storage, transportation, processing and disposal. Insofar as the product named in this safety data sheet is blended, mixed or processed with other materials, or subject to processing, the information in this safety data sheet cannot be transferred to the new material manufactured in this manner, provided nothing else is expressly achieved from this. The information does not have the importance of statements of condition, assurances of certain characteristics or guarantees.
